

ABOUT US

Hospitalio is a global recruitment agency for the hospitality industry based in Cape Town, South Africa. We utilize the latest standards in web based recruitment technology and pride ourselves on always being one step ahead of our competition. Our clients include leading hotel groups, restaurants, catering companies and cruise ships. No business is too big or too small. Some of the features we offer our job seekers and employers are:

Employers:

Both full service (recruitment agency) and self service (jobs boards) options for recruitment

Email and online profiling and screening questions if required are available

Reference checking and resume validating is included in our full service option

Optional psychometric testing facilities

No exclusivity required

A guarantee is offered on all our candidates

Job seekers:

A full live job database providing job seekers with up to date jobs – RSS feeds and no dead links!

Fast feedback for candidates on their applications – all candidates applications are responded to

Update your resume online

Create job alerts and upload a photo of yourself and even a Youtube video (jobsboards only)

Job alerts when new vacancies are matched to your profile.
